Category: Skin care

Target species: Dog - Cat

Presentation : 50ml tube

GTIN: 3664499000377

Information:

Sensiderm® Balm, a balm for enhanced hydration without greasy effect.

Fragrance-free

Tube format to keep the ointment clean.

Sensiderm® Balm is a nose and paw pads protector:

- An emollient and restructuring ointment based on vegetable oils, urea, shea butter, glycerine, allantoin and soothing extracts of *Centella asiatica*.
- Soften and protect dry or thickened areas such as the nose, pads and calluses without a greasy effect.

Why recommend Sensiderm® Balm ?

- An innovated formula enriched with plant-based ingredients: provide enhanced protection and hydration of dry and thickened areas without greasy effect.
- Respect the fragile skin with a fragrance-free and a petroleum derivatives-free formula.
- Easy-to-use with a tube format to keep the ointment clean.

Use

Cutaneous application.

- Remove the tamper-proof tab when first used.
- Apply a thin layer evenly to the affected area,
- Once a day or as recommended by your veterinary surgeon.

Veterinary use.

Caution

- Keep out of reach of children.
- Keep away from heat. Avoid contact with eyes.
